Tuition for BS programs is 60,000 SCU per semester. Tuition for Master programs is 75,000 SCU per semester. A student who repeats a course pays 1,500 SCU for each credit hour of the repeated course, in addition to the regular tuition.

Section 4. How to Pay

Fee vouchers are generated by the student portal. Fees are paid at a designated bank branch or through online banking using the voucher number. Cash is not accepted at campus offices.

Payments appear in the student portal within 2 working days. Students should keep the bank receipt until the payment is shown in the portal.

Section 5. Payment Deadline and Late Fee

Semester fees must be paid within 14 days of the start of the semester. A late fee of 500 SCU per week is charged for up to 4 weeks. After 4 weeks, the student's registration may be suspended.

Weeks late	Late fee charged (SCU)
1 week	500
2 weeks	1,000
3 weeks	1,500
4 weeks (maximum)	2,000

Section 6. Installments

A student may request to pay tuition in two installments: 60 percent at the start of the semester and 40 percent by the end of week 8. The request must be made to the Accounts Office during the first week of the semester. Only one installment request is allowed per semester. The late fee in Section 5 applies if an installment is paid late.

Section 7. Refund Rules

Refunds apply to tuition only. The application fee and the one-time admission fee are not refundable. Approved refunds are processed within 30 days.

When the student withdraws	Refund of tuition
Before classes begin	80 percent
During the first week of classes	50 percent

When the student withdraws	Refund of tuition
After the first week	No refund

Section 8. Scholarships

Need-based scholarships may cover part of the tuition fee. Scholarship applications are submitted to the Financial Aid Office before the semester starts, with a family income statement.

A student who earns a semester GPA of 3.7 or higher receives a merit scholarship that waives 25 percent of tuition in the following semester. A student can hold only one scholarship at a time.

Section 9. Unpaid Dues

A student with unpaid dues cannot register for the next semester. Transcripts and degree certificates are not issued until all dues are cleared.

Section 10. Fee Voucher Problems

If a fee voucher shows a wrong amount or a payment does not appear in the portal after 2 working days, contact the Accounts Office at accounts@example.invalid with the voucher number and the bank receipt. This address is imaginary and is used only for software testing.

Section 11. Summer Courses

NSU may offer optional summer courses. Tuition for summer courses is 4,000 SCU per credit hour. A student may register for at most 9 credit hours in the summer. Installments are not available for summer courses.

Section 12. Sibling Concession

When two siblings are enrolled at the same time, the second sibling receives a 10 percent concession on tuition. The student applies to the Accounts Office with proof of the relationship before the semester starts.

Section 13. Fee on Semester Freeze

No tuition is charged for a frozen semester. A freeze fee of 5,000 SCU is charged for each frozen semester to keep the student's registration active.

Section 14. Duplicate Documents

A replacement degree certificate costs 2,000 SCU and is issued within 10 working days. Extra transcript copies cost 300 SCU per copy.

Section 15. Fee Notices

Fee notices and changes are published on the student portal. Students are considered informed once a notice is published.

Section 16. Frequently Asked Questions

Can I get the application fee back? No. The application fee is non-refundable.

What if I pay the same voucher twice? The extra amount is adjusted against the next semester's fee, or refunded on written request within 60 days.
